

**On 21<sup>st</sup> and 22<sup>nd</sup> May you are invited to.....**

## **Enhance the Student Experience at the TU4Dublin**

### **With**

**Professor Mick Healey** ([www.mickhealey.co.uk](http://www.mickhealey.co.uk)), HE Consultant and Researcher and Emeritus Professor at the University of Gloucestershire, UK. Mick is an experienced presenter. Since 1995 he has given over 500 educational workshops, and he has advised and worked with students, academic staff, support staff, educational developers and senior management in a large number of higher education institutions and government bodies.

### **Why?**

Developing a Learning, Teaching and Assessment (LTA) Strategy is recognised as a major component of the **TU4Dublin Foundation Theme** - Re-imagining our Curriculum. Celebrating the many excellent Learning, Teaching and Assessment practices which already exist within DIT, ITB and ITT, Professor Healey has **designed a 2-day interactive Liquid Café Workshop** to assist us in developing a set of recommendations for how we can further enhance the experience of students in TU4Dublin through developing a LTA Strategy.

Working with students, educators, support services and leaders, our workshop will allow us to set the context and identifying distinctiveness of the TU4D followed by developing an implementation strategy.

### **Where?**

**This event will take place on the 21<sup>st</sup> and 22<sup>nd</sup> May 2015 in the beautiful and historic St. Laurence's Church on the DIT Grangegorman campus.**

**Day 1 - May 21st: 9.30 - 4.00**

**Day 2 - May 22nd: 9.30 - 4.00**

***Please note that organisers have requested that all attendees are able to attend on both days to ensure continuity in the session activities and more productive workshop outputs***
